Core Competencies

Language Lizard provides teaching resources to support literacy and diversity worldwide. Our products include bilingual children's books and audio resources in over 60 languages.

Differentiators

- Bilingual books in over 60 languages, including hard to find languages such as Dari, Hmong, Pashto, and Ukrainian.
- Beautifully illustrated, high quality, paperback books showing diverse ethnicities and cultures.
- Free teaching resources, including lesson plans, activities, videos and audio.
- Bilingual book sets in various sizes.
- Support bulk purchases in a timely, cost-effective, and sustainable manner.
- Flexible product development to meet large government and corporate orders.

Past Performance

Charity and Literacy Organizations including *Reach Out and Read*, *Grand Street Settlement*, *ParentChild+*, and *Neighborhood House*.

School Districts and Libraries across the country including Denver, Nashville, NYC, St. Louis, and Tulsa.

Government and State Agencies including *Delaware Department of Education's* annual summer reading program, and *Tennessee Department of Health's* vaccine outreach program.

Corporate Charitable Programs including providing bilingual books for thousands of immigrant children in a local community.

Special Programs such as *Together Austin's* vaccine equity program.
